
2010-2011 State FFA Officer Candidates

Election Procedures and Campaign Guidelines

1. State officer candidate required forms will be available on the Web at www.okffa.org beginning December 1, 2010.
2. All candidates for State FFA Office must file the following information with the State FFA Executive Secretary **on or before February 1, 2011**. A February 1 postmark is not sufficient. Once again, the following materials must be in hand at the State FFA Office on or before February 1:
 - A. A maximum two-page resumé of the candidate prepared on the electronic template file provided on the Web site. Sample files are in jpeg format. The following guidelines will ensure the proper construction of your resumé:
 - a. **Fonts** — Limit font usage to Arial, Arial Black, or New Times Roman. The font attributes can be used (italics, bold, and bold italics). Do not go below a size of 10 point for body copy and above 36 point for headlines.
 - b. **Margins** — Margins have been set up in the electronic template file provided. Do not exceed the 3/4" margins.
 - c. **Photos** — A photograph of the candidate in official FFA dress is included as a part of the electronic file resumé. Do not move the picture box from the location provided on the template. There are three ways to incorporate a photograph into the resumé:
 - Hardcopy: Send the original photograph along with the electronic files so that it can be scanned and placed into your resumé at the state office.
 - Digital Camera: Save the photograph as a tif file at 150 dpi in gray scale (if you have this option) and place it into the area provided for your photograph on the electronic template file.
 - Scanner: Scan an original photograph in gray scale at 150 dpi and save it as a tif file. Place the file into the area provided for your photograph on the electronic template file.
 - d. **Signature** — If you desire to sign your resumé but are unable to scan your signature into the electronic file, include a sample signature on a white sheet of paper using black ink. The state office will then scan your signature onto the resumé.
 - e. **Other** — Do not use artwork or clip art of any kind, such as emblems, gavels, sun rays, symbols, etc. Please do grammar and spell checks as the resumé will be reproduced exactly as it is received on the electronic template.
 - B. A wallet size photograph of the candidate in official FFA dress that will be used by the state office when sending out a press release to your local newspaper.
 - C. A copy of the candidate's State FFA Degree application **is no longer required** as a part of the candidate application process. A candidate's record books and scrapbook/portfolio are also not submitted. However, it is a constitutional requirement that all State FFA Officers must have received the State FFA Degree. If a candidate does not meet minimum qualifications set forth for the State FFA Degree, and their degree application is not approved by the state staff, the applicant will immediately cease as a candidate for state office.
 - D. A completed nomination form, which is available on the Web site, with the required signatures. A candidate must have the approval of a majority of local chapter members and their local chapter advisor(s).
 - E. A signed State FFA Officer Commitment Form, which is available on the Web site.
 - F. A filing fee of \$100. The local chapter of the candidate is encouraged to pay the filing fee. An invoice is available on the Web site.

Election Procedures and Campaign Guidelines (continued)

- D. Each candidate will have a five-minute interview with the entire Committee. The first two minutes will be devoted to a prepared statement by the candidate of “Why I desire to serve as a state FFA officer.” The remaining three minutes will be used to respond to specific questions asked by the Committee. The same questions will be asked to each candidate for that particular office.
7. All candidates are excused from the Nominating Committee process following their final interview. No information will be released to the candidates, advisor, or the general public until Monday, February 14.
 8. The results of the Nominating Committee will be posted on the Oklahoma FFA Association Web Page (www.okffa.org) on Monday morning. The three candidates selected by the Nominating Committee for each office will be listed in alphabetical order by last names. The individual rankings and scores of all candidates will be kept confidential by the Nominating Committee.
 9. The State Officer Candidate Resumé Book will be posted on the State Convention site at www.okffa.org by March 1. The book will contain the resumé of the state president candidates and the three finalist candidates for each of the other seven offices. Candidates for each office will be listed in alphabetical order by last names.
 10. The state president candidates and the three finalist candidates for each of the other seven offices will advance to the state FFA convention. During the time immediately following the Nominating Committee process and until the state FFA convention is complete, the following campaign rules are in effect:

Representatives of the candidates are not permitted to address an assembly on a candidate’s behalf. **The following standard introduction is recommended to be used by every candidate at any FFA activity where state officer candidates are given the opportunity to introduce themselves: “Hello, my name is _____ . I proudly represent the _____ FFA chapter as a candidate for the office of _____.”**
 - E. Campaign rules for the office of state president vary slightly from the rules listed here. State president candidates are bound by rules in the State FFA Officer Commitment Form.
