

Oklahoma FFA Foundation

Chapter Trust Fund Program

Due
Apr. 1 

What

A total of 191 Oklahoma FFA chapters have completed their FFA Chapter Trust, and several others are working to complete theirs. Our goal is to one day have every chapter in the state with a permanent Chapter Trust in the FFA Foundation!

How

A chapter contributes \$200 a year for five years until its \$1,000 permanent Chapter Trust is established. Of course, you may increase the amount if you desire to speed up the time line on establishing your Trust.

Recognition

If your \$200 contribution is received by April 1, your chapter will be recognized on stage during the first session of the State FFA Convention. Your chapter will receive a framed certificate on stage each year until the \$1,000 Trust is established. A plaque will be presented the final year. Once your Trust is established, your chapter will be listed in the convention program and Foundation Annual Report every year from now on.

When

A statement is enclosed in the amount of \$200 and is due in the State FFA Office by April 1.

Why

The Oklahoma FFA Foundation has one employee with very little overhead and few operational expenses. That means that nearly every dollar of interest earned from your Trust will be used to support future FFA member awards, scholarships, and leadership activities. It's a chance for each of us to do a long-term investment for the program we believe in and love so much.
