

# Tulsa State Fair FFA Hunger Challenge Results

Thank you FFA chapters, members and advisors that participated in the FFA Hunger Challenge during the recent Tulsa State Fair.

Jack Miller with the Regional Food Bank of Oklahoma reported that **210 animals were donated** compared with 169 animals last year. That's an awesome start to our ultimate FFA goal for 2017-2018.

Please remember that if you have an animal to donate (hogs, cattle, sheep or goats) any time during this school year, call Thad Doye with Oklahoma Farm Bureau at 405-255-5316. Thad will confirm a time and location with you to pick up your donated animal on site at no cost to you.

Also, if you have cash to donate to the FFA Hunger Challenge, please mail your check made out to the Oklahoma Farming & Ranching Foundation to:

Chris Kidd  
Oklahoma Farming & Ranching Foundation

Please put in the memo line of your check: FFA Hunger Challenge
