

The 2018 Scholarship Application goes live Wednesday, November 15!

Students –

- Access the application through **FFA.org**. FFA members create **FFA.org** accounts using an **Invite** code or **FFA ID**. (Invite codes are obtained from their FFA advisors.) Students with existing accounts sign in using those credentials.

Advisors –

- Log into FFA.org to renew rosters and issue **Invite** codes located by member names on the active roster. FFA members must be renewed and active on the chapter roster. Invitations can be generated individually or by using the “Bulk Action” option. (Advisors who do not have an FFA.org login should obtain one from state staff.)

Remember: **Under no circumstances should FFA members create FFA.org accounts without an Invite code or FFA ID.** Accounts created without an Invite Code or FFA ID are for non-member use only. FFA members submitting a “non-member” application are not eligible for scholarships with membership criteria. (Submitting more than one application is grounds for disqualification.)

Membership status is checked before judging begins. ONLY STUDENTS WITH A CURRENT, ACTIVE MEMBERSHIP STATUS WILL BE ELIGIBLE TO COMPETE FOR SCHOLARSHIPS WITH MEMBERSHIP CRITERIA. The deadline to confirm membership status with the National FFA Organization is **MARCH 1, 2018**. National FFA will not contact states during judging to confirm status.

The following two sponsors have added eligibility requirements:

- America’s Farmers Grow Ag Leaders scholarships (Monsanto Fund) require applicants to obtain two electronic farmer endorsements. Details at FFA.org/scholarships (under the *America’s Farmers Grow Ag Leaders* logo) or at GrowAgLeaders.com.
- Built Ford Tough scholarships require applicants to visit a participating dealer and obtain an endorsement on the 2018 Signature Page.

DEADLINES: The 2018 scholarship application must be submitted online prior to 11:59 p.m.* EST Feb. 1, 2018.

Signature Pages must be mailed postmarked no later than Feb. 8, 2018.

**Technical support not available after 5 p.m. EST*
