

COLT Conference Invite a State FFA Officer to Lunch

At each district COLT Conference, the state officers enjoy eating lunch with local chapter members. If your chapter would like to host a state officer for lunch following the conference, please email the state officer ahead of time with your invitation.

Officer email addresses can be found on the okffa.org web site. [Click on State Officers and Current Contact Information.](#)

Following lunch, the chapter is responsible for bringing the state officer back to the conference site.
