

TECHNOLOGY & INNOVATION GRANTS

Chapter Areas Eligible:

CENTRAL
NORTHWEST

Award Information:

\$27,000 total will be awarded. Grants will be awarded based on creativity, sustainability and the needs of the chapter. Central and Northwest Oklahoma chapters can request up to \$5,000 for equipment like hydroponic systems, incubators, drones, ultrasound machines and more!

Application Information:

Priority will be given to projects allowing for equipment to be shared between programs at various times of the year.
