FFA Greenhand Quiz Career Development Event

This event is for freshman members only. First-year FFA members participating in this event must be in the ninth grade (sophomores who are first-year FFA members are not eligible). The top two participants in each on-site Regional group are eligible for the state on-site event. The virtual option is a one-time statewide test with no finals. Any state-qualifying participants who move from their Region before the state event are ineligible to participate. The third-place Regional participant may then qualify for the state event. The five participants with the highest scores on the written test at the state event will advance to the oral finals. In determining the legitimacy of a question or the correctness of an answer, the decision of the designated judges is final. Materials for the quiz event will be taken from the following current items: FFA Manual, FFA New Horizons, FFA Student Handbook, State FFA Constitution. The online version of the Official FFA Manual will be updated by the National FFA Organization twice a year as needed and will serve as the official version. In Oklahoma, for purposes of the FFA Greenhand Quiz, the online version of the manual, copied by state staff on Sept. 1 of the current year, will be the official version used for quiz questions. Official FFA dress is required.
