Horticulture Exhibits

FFA Division/Tulsa State Fair

Vegetable and Fruit entries

- ❖ Vegetable Entries should be healthy, free of bruising, disease and insects.
- ❖ Exhibits should be clean but not polished.
- ❖ Exhibits should have the correct number of items for that exhibit. (See fair book)
- ❖ All exhibits should be accurately tagged and entered in the entry book.
- ❖ Most vegetables are exhibited on a plate with the tag firmly attached.

All the fruit or vegetables in an entry should be of uniform size, shape and color. Refer to the fair book for the correct number for each entry.

Vegetable Baskets

Vegetable baskets should have at least 5 different types of fruit or vegetables and enough of each for the judge to determine overall quality.
