TO: Selected Agricultural Education Instructors
FROM: Kent Boggs, FFA Executive Secretary
SUBJECT: 2012 State FFA Officer Goodwill Tour

Your chapter has been selected as a participant in the 2012 State FFA Officer Goodwill Tour. The attached agenda will show the date, time, and the length of time we will spend with your chapter.

Your chapter is charged with the responsibility of deciding how to utilize the time the state officers spend with you as efficiently and effectively as possible. The state officers will be flexible and adaptable to any situation. The state officers will have a 20-minute pre-planned program they will use, unless you instruct them otherwise. Time set aside for questions and answers has proven to be valuable in the past. To those chapters selected as a meal site, please understand we do not expect an elaborate feast – simple is fine.

We prefer you not invite area chapters to your school during the day. However, larger groups for evening activities are welcome. If you are planning a school assembly (or any large group presentation) please plan such activities for a maximum of 30-minutes. Also, the state officers would enjoy having your chapter officer's share with them the chapter's accomplishments and/or program of activities.

A state officer will contact you by phone Thursday, January 5, to get an idea of how you plan to utilize the officers, who the audience will be, location, etc. This will help them as they prepare for their week with the members. Please inform your school administration about our visit. If possible, we would like the opportunity to meet your administrators and counselors. Also, please invite your area newspaper for interviews and pictures. Our office will be sending out a pre-press release to your local paper.

Thank you for this opportunity to be of service.
