2026 Ag Ed CDE Finalists

We would like to thank everyone who submitted a lesson plan for the Ag Ed CDE. Based on the tabulations of lesson plan scores, the following individuals have qualified to compete at the state contest next week. The finalists are listed alphabetically by last name. Again, thanks to all for your interest in agricultural education!

* You will note there are nine names listed instead of eight. This is because we had a tie for 8th (our cutoff).
