

## 97th State FFA Convention COURTESY CORPS ASSIGNMENTS

Sponsored by  
**Duane Cockrum**  
**The Oklahoma FFA Alumni Association**

The attached FFA chapters have been selected to assist with the 2023 State FFA Convention Courtesy Corps. Please review all enclosures carefully to find your chapter's assignment(s) as well as the duties and responsibilities for that assignment. Some chapters may be listed more than once. If you cannot fulfill your assignment or have specific questions, please contact Mr. Lucas as soon as possible.

It is important you and your members attend the one Orientation meeting, **Tuesday, May 2, 8:30 a.m., Cox Business Center, Conference Hall A-B, first floor**. All armbands will be handed out during the Orientation.

- The worst thing you can do is not show up, leaving your area unattended.
- Be on time at your designed location.
- Be sure that members serving on the Courtesy Corps are dressed in 100% Official FFA Dress. We expect our Courtesy Corps to set the example. Please review the Oklahoma Official FFA Dress guidelines at [www.okffa.org](http://www.okffa.org).

We hope you will accept your assignment to the Courtesy Corps as seriously as we did in selecting you to serve. The professionalism, smoothness, organization, general safety and enjoyment depend upon a strong and committed workforce.

Thank you in advance for your assistance at the 97th State FFA Convention! You are appreciated.

## DUTIES AND RESPONSIBILITIES

### Arena Ushers

- Your Director is Mr. Tanner Miller His cell number is 580-628-1167.
- All Courtesy Corps members will be in 100% Official FFA Dress.
- Wear your assigned Courtesy Corps Arm Band.
- The worst thing you can do is not show up. Please be on time at your designated location.
- Greet all members and guests with a warm smile and a cheerful greeting—"Welcome to the convention. How can I help you?"
- Know where seating in VIP Sections are located (attached diagram), so that you can help members and guests that ask you for assistance in finding their reserved seats in these sections.
- Know that there is a designated seating area for people with disabilities—walkers, wheelchairs, etc. There is a designated area on the upper floors, south side, below sections 327 and 303. Look for the signage. Assist as required.
- Ask all FFA members to remove their hats and caps upon entering the Arena and Cox Business Center. However, we do not require adults to remove headgear.
- Politely ask members and guests not to stand or block the entryways you are working.
- During crowded sessions, assist guests with finding open seats.
- Let FFA members in your designated section observe that you are watching them. Especially when the lights go down in the Arena, be ever watchful for anyone who has a laser pointer or is throwing items onto the delegate floor below. If you detect a negative issue, take an adult member of the Courtesy Corps with you to correct the problem.
- If you are working the VIP Seating, observe the name cards that have been placed on the seats and how they flow row by row. Assist special guests with finding their assigned seats. Protect these areas from people who do not have a reserved seat and are just looking for an open area to sit.
- If you are working the Entry 1 and Entry 2 Sections, observe that all Official Delegates are wearing their official delegate badge. Also, make sure all Official Delegates are wearing 100% Official FFA Dress. If you detect a dress issue, take an adult member of the Courtesy Corps with you to resolve the issue.
- Any lost or left items such as cameras, purses, wallets, etc., should be taken to the registration desk located at the Main Entrance.
- If you are working "End of Session" duty, please check in with Peyton Burns in front of VIP Section One in the Arena immediately following the session's adjournment. You will be assisting with taking off the previous session's reserved seat cards and then placing new cards on the reserved seats for the upcoming session. It should take approximately 20-minutes to complete.
